Dear Sir/Madam

I've been paying balances on
filing fees for two civil actions
complaints. 07-209 and 07-445.

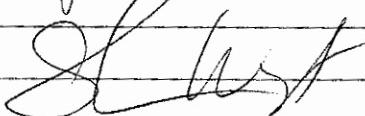

It appears that you are still
billing and accepting payment for
Civil Action 07-209.

The balance on that \$200 filing
fee should have been satisfied in or
around October 2007.

Could you please give me a statement
of the balances for both accounts?

I thank you in advance for
your help.
